

Chairing an Essex Art Association Show

Thank you for offering to Chair an Essex Art Association show. As Show Chair you will be working with the membership and the Gallery Directors. Please *enjoy* working with this group and relying on them to help you. Our members contribute their unique talents in their own special way and also develop their skills by participating. They are knowledgeable in their tasks. The Gallery Directors are charged with implementing EAA policy and parameters that are set by the council and are very experienced in organizing shows. They will enthusiastically support you and guide you.

In other words-- We all want to help so don't be shy about using us all to make your job easier and fun for everyone in the Essex Art Association.

The Essex Art Association Council
